BETH H. SUTTON, MD, FACS

General surgeon and seasoned leader, Beth H. Sutton, MD, FACS, has been elected as the 2023-2024 President-Elect of the American College of Surgeons (ACS). Her term as ACS President will commence in October 2024.

A dedicated practitioner based in Wichita Falls, Texas, Dr. Sutton has had a longstanding passion for medicine, first kindled by a book about the human body she received as a young girl from her great-aunt. Her journey led her to Baylor College of Medicine in Houston, Texas, where she obtained her medical degree. Subsequently, she completed her residency at Baylor Scott & White Medical Center in Temple, Texas.

An ACS Fellow since 1984, Dr. Sutton has been actively engaged in multiple leadership roles within the College. She was a member of the ACS Board of Regents from 2012-2021 and is a Past-Chair. She also was a member of the ACS Board of Governors Executive Committee from 2008-2010, and a Governor-at-Large for the North Texas Chapter from 2004-2010.

Dr. Sutton is currently serving or has served on several ACS committees, including the Committee on Healthcare Disparities, Committee on Professional Opportunities for Senior Members, Advisory Council for General Surgery, Committee on Transition to Practice (Mastery in General Surgery), and Committee on Preceptorship for Practicing Surgeons. In addition, she is a faculty member for the ACS Surgeons as Leaders course.

Beyond her roles with the College, Dr. Sutton is an American Board of Surgery Director, a past-president of the Texas Surgical Society, and a past-president of the Association of Women Surgeons, as well as a member of several other health care organizations.

The J. Bradley Aust Surgical Society 50th Annual Meeting June 7-9, 2024 (Friday, Saturday, and Sunday)

Concept and Objective

This course is developed to bring graduates up-to-date with ongoing cutting-edge research and activities in the field of surgery. Housestaff research presentations affect this aim.

Time is allotted for questions, answers, and discussion of presentations between alumni and faculty.

Accreditation

CME

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of UT Health Science Center San Antonio and the J. Bradley Aust Surgical Society. UT Health Science Center San Antonio is accredited by the Accreditation Council for Continuing Medical Education to provide continuing education for physicians.

UT Health Science Center San Antonio designates this live activity up to a maximum of **10.0 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Certificate of Attendance

Healthcare professionals will receive a certificate of attendance and should consult with their licensing board for information on applicability and acceptance.
